Crew of Good Ship Grace To Visit Baptist Church

FIRST MATE BOB Salls Here

The First Baptist church has announced the coming of First Mate Bob and the crew of the Good Ship Grace on Sunday evening, Aug. 6. The crew will put on a musical program similar to their daily broadcasts on KJHJ.

The crew of the Good Ship Grace is an Evangelistic organization of six twice-born men from six denominations who have as their aim the desire to point men and women to a Savior who cares for their soul. The quartet of the crew will sing many well-known old-time favorites, according to Rev. Russell Killman, assistant pastor of the Baptist church. Lavin Whitney, well known in southern California, will be at the console of the pipe organ.

Warning that the seating capacity of the church is only 650, the Rev. Mr. Killman said this week that it might be necessary to come early to get a good seat. The services will start at 7:30, he said.

Johnson, Popovich Win 2-Man Volleyball Title

Bill Johnson and Luddy Popovich combined their efforts to capture the two-man, double-elimination volleyball tournament staged last week at the High School gymnasium, according to Director Dick Leech. A pair of jacks—Jack Fees and Jack King—barned up to take second place honors, while Lee Mortenson and Jim Farrar took the show spot.

JAYCEE LEADERS . . . Relaxing during a break in the festivities of the recent installation of officers of the Torrance Junior Chamber of Commerce held last Friday night, were the newly-installed president, Ed Karlow, left, and Mrs. Karlow and Dick Fitzgerald (right), vice president of the district and Mrs. Fitzgerald. Bill Jolley Completes Course in Television

A recent graduate of the American Television Lab, Bill Jolley has announced that he will re-enter school and work toward a degree in electrical engineering. Jolley received an "A" average in the TV school, and has been offered employment with several firms, he said. He has turned down employment, however, to continue schooling. He was graduated from Torrance High school before entering the Video course.

'Twas a Week of Gains and Losses for Two City Dads

Events strictly non-political in nature brought the names of two councilmen into the news columns this week. Councilman George Powell told police someone stole his pants while swimming, and Councilman Willys G. Blount became the father of a "future Torrance High School quarterback."

Taking them in the order in which they happened, City Father Blount added his first male dependent to his list of two daughters, Anna Beth, 4, and Mary Margaret, 8, last Thursday at the Maywood Hospital.

The future quarterback, John Franklin Blount, weighed in at nine pounds, one-half ounce, according to Mrs. Blount, who returned home Monday.

Meanwhile, as Councilman Blount passed out the cigars, Councilman Powell just passed out—almost, that is.

It was about last Sunday when he came back to his trousers after taking a dip in the recently opened Alondra Lake, to find his pants, keys, wallet and \$8 or \$10 missing.

Remember When . . . ? Readers Help Identify Photos From the 'Morgue'

Our thanks to the many persons who phoned in after last week's Torrance Herald to help us with the identification of the photos published under the heading "Remember When." Picture Number 1 was a gathering of National Supply employees during the war to hear Dr. Allen A. Stockdale, nationally known industrial speaker, address 2400 of the then 2700 employees. Dr. Stockdale's Fourth of July appeal was to help "bring Jimmy home again" by staying on the job.

Number 2 was Wayne Michel puffing on a sousaphone back in 1947.

The pretty little girl sitting on the great big ball was Eileen Tubert, mascot of the 1041 American Legion Semi-pro Baseball Tournament.

Beaming in picture Number 4 were Sailor G. C. Reeves and his three sons, Carroll, Bob, and Jim.

Clowning in photo Number 5 were none other than our present high school coaches, Eddie Cole and Cliff "Ragmop" Graybehl.

Flashing their best "Victory Smiles" in photo Number 6 were the three proud winners of the "Miss Popularity" contest at the Army Hospital—now the Harbor General Hospital. The girls were Nikki Froberg, Ginger Shields, and Joan Barnes.

The unformed gentleman in picture Number 7 is (by his own admission) Louis Deininger of the Torrance Post Office.

The lineoleum cut, Number 8, was Charles Schultz of Schultz and Peckham—Ford dealers.

Fire Chief Allan D. "Ollie" Stevenson, the first city-paid fireman, was the gentleman depicted in the other lineoleum cut, Number 9.

Shown unloading a truck at the Army Hospital in picture Number 10 were members of National Supply's Funmakers. Pictured were Fairy Whittier, Marie Boyes, Marie White, and Irene Frohhofer. The Army personnel were Lt. Robert Ecton and Pfc. Dave Dortort.

As space will allow, we hope to present other "Remember When's" in the future.
